BOOK DEPARTMENT.

THE trouble and expense involved in the clerical work of keeping the accounts and trying to collect small amounts due for books sold to persons, often of undoubted responsibility, simply because small accounts are apt to be neglected, has compelled THE DECORATOR AND FURNISHER to adopt the rule to decline to open accounts for books. Orders for books, therefore, will only be filled when accompanied by Postal Note, Check, or Draft on New York, drawn to the order of THE DECORATOR AND FURNISHER.

MANY of our friends send us from time to time names and addresses of people to whom, they suggest, we might send specimen copies. We shall esteem it a favor if *ALL* will favor us in the same way.

FLINT'S FINE FURNITURE

AN ART JOURNAL SAYS:

"There are so many things offered to buyers nowadays—all with a view to trade—that it is easier to make home ugly than it was in the days of our grandmothers." True—and that is one more reason why you should buy not only where the furnishings offered are artistic, but where a skilled decorator is always ready to give suggestions as to the harmony of colors, materials and styles.

are easy to care for. This is their chief merit, although at the same time they are durable, sanitary, and in all ways economical. Don't say otherwise to those who have had experience with them, lest they laugh at you, haply not audibly, possibly not visibly, but surely internally and pityingly. But perhaps we are not impartial since we make floors and nothing but floors, save the appliances to keep floors in order. We publish a book of designs, a circular on the care of floors, and other literature on this subject. These are sent free for the asking.

WHAT IS X-ODE INHALER?

X-ODE is a product of electricity. It forms on asbestos while being electrically treated in a solution. This asbestos is put up in a glass vial. When the cork of the vial is removed and the air comes in contact with the asbestos, it emits from the inhaler a soothing gaseous substance which will penetrate any part of the body. When inhaled through the nose or mouth it penetrates every nook and crevice of the mucous surfaces, kills the germ that causes the disease, and gives the tissues a healthy condition, thus effecting a permanent cure. It is unlike snuff, drugs or medicines. X-ODE penetrates parts that it would be impossible for drugs or medicines to do.

Catarh, Asthma, Hay Fever, Coughs, Headache, Bronchitis, La Grippe, etc., yield to its influence with marvellous rapidity.

This inhaler lasts from one to three years.

Trial size inhaler, 15c. Large size inhaler, \$1. All druggists, or by mail.
